

Dear Anuka,

I am writing to express my recommendation for Ms. Ajla Burina as a candidate for a Head of Copy & Sales Conversion within Foxelli Group. Ms. Ajla has consistently demonstrated unparalleled professionalism and exceptional attention to detail throughout her tenure with us.

Ms. Ajla's exceptional organizational skills empower her to manage her workload and priorities with remarkable efficiency, ensuring projects are completed on time and to the highest standard. Her ability to maintain order and clarity in complex situations makes her an invaluable asset to any team, fostering a productive work environment.

Due to the current scale of our operations, we are unable to offer her the managerial position she deserves. I have encouraged her to seek opportunities that align with her growth trajectory and capabilities.

Ms. Ajla's commitment to her responsibilities is exemplary. She can comprehend complex instructions, proactively seeks solutions to challenging problems, and is always prepared to extend her efforts beyond the call of duty.

Her role as a de facto leader within her department, especially in addressing technical issues akin to a support agent, and her readiness to share her knowledge, underscores her natural leadership qualities and her readiness for a Head of Copy & Sales Conversion.

Her contributions have been particularly noteworthy in managing several of our key clients, a responsibility she undertook upon my recommendation and the strong endorsement of our staff.

Ms. Ajla has proven herself worthy of the Head of Copy & Sales Conversion designation, and I am confident that her inclusion in your team would be immensely beneficial.

While her departure would be a significant loss to our team, I am supportive of her decision to advance her career, firmly believing that this transition represents the best path forward for her.

Should you require any further information or wish to discuss Ms. Ajla's qualifications in more detail, please do not hesitate to contact me at +4917627849124 or via email at igor.shapiro@ultb.io

Warm regards,
